BURLEIGH GOLF CLUB

WELCOME TO BURLEIGH GOLF CLUB

Located in the heart of the Gold Coast close to Miami Beach, Burleigh Golf Club offers first class golfing and clubhouse facilities and a warm welcome to both Members and Guests.

Founded in 1950, our Club is home to a mature 18-hole championship course that is rated among the leading layouts on the Gold Coast. A qualified Teaching Professional, fully-stocked Pro Shop and fine practice facilities further enhance the golfing experience.

A variety of golfing memberships are available to suit all needs and we even offer a Social Membership which is ideal for the non-golfer wishing to enjoy our excellent facilities.

Whilst we are a traditional Members' Club with a strong membership base, we welcome social and corporate

golf day groups, who are promised a memorable experience both on and off the course.

The modern clubhouse at Burleigh is one of the finest in the region. Large windows provide a superb view of the course and there's a full à la carte menu from which to choose at the popular Gumtrees Brasserie which is open for lunch seven days a week and for dinner on Wednesday and Friday nights.

The spacious and well-appointed clubhouse offers a home away from home to our Members and provides a stunning venue for functions such as wedding receptions, birthday parties or conferences.

Come and discover everything that Burleigh has to offer. We look forward to seeing you.

A BRIEF HISTORY

The club was founded in 1950 as Burleigh Heads Golf Club by a small group of local golfing enthusiasts. They thought a golf course would be the ideal addition to a quiet seaside town at that time boasting only a bowls club and two tennis courts in terms of leisure amenities. How right they were!

A public meeting to gauge local interest was well attended and in due course the perfect location – our current site – was found.

Encouraged by the generous support of the townspeople, the Club committee arranged socials, working bees and bonfires, as they acquired fresh skills with axe, shovel, public relations, dynamite, course layout and tight fiscal management.

So it was that the assorted group of dedicated hackers – with their wives and families – transformed the bushland

to set up and begin the region's finest golf course.

In the spring of 1955 the first official game over a five-hole circuit was played on our course which by that time was also complete with a clubhouse.

Membership grew rapidly and by the following year nine holes were open for play. The second nine was opened in October 1960. Foundation member Bill Patterson, armed only with a book on course construction from the USA and his own initiative, was responsible for designing the wonderful back nine that is still enjoyed today.

The recent construction of a new clubhouse and many other improvements, such as the installation of a new irrigation system, underlines the Club's ongoing commitment to continually strive to provide the best for its Members.

THE COURSE

Any club is only as good as its course and Burleigh is fortunate that it has a real gem that will delight everyone from the experienced golf professional to the casual player.

The 18-hole layout measures 5,935 metres from the men's black tees. It plays as a par-71, the outward nine featuring two par-5s and three par-3s, with two par-5s and two par-3s coming home. The ladies enjoy an equally invigorating test, featuring a 5,342-metre par-73 layout.

With two distinct nines – 'woodland' and 'sandbelt' – all the holes are appreciably different and offer their own unique challenge.

The course invariably looks a picture, the immaculate presentation down to a combination of the availability of a recycled water supply, the use of state-of-the-art course machinery and turf management techniques and the painstaking work of the Course Superintendent and his dedicated team of greenkeeping staff.

It is perhaps not as long as some of the modern-day monsters, but that does not make it a pushover. Far from it.

The tree-lined fairways on many holes means that anything off line from the tee will be punished, with the wayward golfer often having to chip out sideways and take their medicine rather than risk trying a heroic shot to advance the ball towards the green. Playing to your handicap is a challenge but an achievable one if you keep your ball in play.

Long and challenging par-4s into the wind, gentle dog legs allowing the better player to show their ability to work the ball, undulating lies, water hazards, and strategically-placed bunkers, this layout has it all.

First-time visitors often remark about the evenly-paced and true-rolling nature of the greens, which are a delight to putt on.

PRO SHOP

The friendly team in the Pro Shop are on hand seven days a week to help golfers enjoy their game to the full.

With knowledgeable, friendly and helpful staff, Members and visitors are offered a personable service at an unbeatable price, with Members benefitting from discounts on all clubs, bags, footwear and clothing.

Customers receive the highest level of professional advice featuring the very latest technology. Custom fitting featuring the state-of-the-art Flightscope launch monitor ensures golfers can benefit from a made-to-measure set of clubs that are perfectly suited to their unique game.

There is a wide selection of equipment in stock from many of the leading manufacturers. Prices are competitive and specific brands or models of club

can be sourced on request if they are not immediately available.

The Pro Shop offers a wide range of products which include clubs, balls, clothing, shoes, gloves, trolleys, bags and much more, in fact just about everything needed to enjoy a day out on the course.

A fantastic range of men's and ladies' clothing for all seasons is also in stock so golfers can look the part on the course.

Good quality sets of clubs are available for hire, as are carts and pull trolleys for those wishing to save their energy for their golf.

Whatever your needs, they will be happy to help. Call the Pro Shop on **(07) 5572 8972** or email:

proshop@burleighgolfclub.com.au

GAME IMPROVEMENT

The Burleigh Head Professional is available by appointment to help you get the most from your game and maximise your enjoyment out on the course.

Lessons are available to improve every area of a golfer's game, helping players of all abilities eliminate their weaknesses and turn them into strengths.

Our philosophy is golf is a game of "simple things done often". We work with the golfer's current technique and physical capabilities to refine and improve their game through the use of simple core fundamentals.

Individual lessons of 30, 45 or 60 minutes are available covering all areas of the game, from driving and long game through to chipping and putting. There are also

a selection of game improvement packages available that can include a swing assessment on the Flightscope Launch Monitor and an on-course playing lesson.

Lessons are so much more beneficial with accompanying practice facilities on hand to enable the golfer to ingrain new swing thoughts or techniques into their repertoire quickly and easily.

Burleigh has some outstanding practice facilities which include driving range, putting and chipping greens, bunker area and driving nets.

Get your game in shape by booking a lesson through the Pro Shop. Call **(07) 5572 8972**.

HOW TO JOIN

There is no better way to enjoy the benefits of one of the leading courses on the Gold Coast than by becoming a member here at Burleigh.

The membership year begins on July 1, but new Members can join at any time of year, paying a pro rata subscription in their first year. Presently there is no joining fee.

There are a number of membership categories from which to choose. By far the most popular is the traditional seven-day golf membership giving unlimited access to the magnificent 18-hole course and a host of competitive playing opportunities.

A Limited (Pay to Play) membership option offers a seven-day membership with a green fee payable at a reduced rate for each round played. This represents an excellent option for either the occasional player or the golfer wishing to experience everything Burleigh has to

offer before deciding to commit to full membership and even permits those with an approved handicap to play in all club competitions.

Juniors under the age of 18 benefit from special membership rates and there are also memberships offering attractive rates for young adults up to the age of 24.

Not a golfer? No problem, a Social Membership allows use of the clubhouse facilities only. With a great atmosphere and a wonderful location, Burleigh Golf Club is a spectacular place to bring friends.

The latest membership categories and fees can be viewed on the Club website,

www.burleighgolfclub.com.au, which also has an application form available to download. For more information, please call **(07) 5572 8266** or pop into the Club.

MEMBERS' GOLF

Members at Burleigh enjoy a range of competitive golf throughout the season, both within the Club for trophies and in interclub events such as the annual Gold Coast pennants.

Both our men and women enter several teams in pennant play each year, which offers the thrill of representing the Club in a team environment and the opportunity to play on some of the other leading courses in the region.

While there are some seriously good players in the top divisions, you don't have to be a scratch golfer to experience the thrill of pennant play. Burleigh also enters teams in other divisions which are specifically for players with higher handicaps.

Age is no barrier to good golf. For men aged 50 and over there is the Seniors Pennant, and for the over-60s the Super Seniors Pennant. Competition is no less intense, with perhaps a little distance sacrificed off the tee by the veterans compensated for by the invaluable experience gained over the years!

Within the club, there are many trophies to be won, with some enjoying rich histories. The Mr Penfold Trophy, for instance, dates all the way back to 1961.

Members can enjoy a calendar packed with competitions throughout the season, ranging from serious and prestigious events such as the Club Championships, right through to much more relaxed social play where the overriding aim is simply enjoying golf in good company.

RECIPROCAL GOLF

Burleigh Golf Club has reciprocal relationships with a number of other golf clubs in Australia and New Zealand. These provide added value to memberships and allow Members to enjoy golf on other fine courses at discounted rates while away from home for business or pleasure.

It is recommended that Members check with the office prior to visiting a reciprocal club in relation to any special arrangements and regarding details of current participating clubs as the list is regularly updated.

JUNIORS

Burleigh Golf Club prides itself on being a family club and is a great place for juniors to learn to play the game.

We are committed to turning hopeful young golfers into the best players they can possibly be, offering a safe and supportive environment in which to develop.

The club's Teaching Professionals give great encouragement to the juniors and hold a number of clinics and junior programs throughout the year, particularly during the school holidays.

There's no classroom time here, it's all about participation and juniors are encouraged to get out on the course whenever possible, with a structured program in place enabling kids to learn at their own pace.

Support is given to players of all abilities and every encouragement given for the high fliers to realise their golfing dreams. At all levels, the emphasis is on enjoyment and having fun.

For those showing an aptitude for the game, there is the opportunity to progress to represent the Club in pennant competition, with Burleigh fielding two teams in district interclub junior competitions.

There are also events held at the Club specifically for young golfers, most notably the Burleigh Junior Classic, for players under the age of 18.

As well as their own competitions, lower-handicap juniors can access the Club's main Saturday competition. There is even an annual parent-child team event held every year which is a great family day.

For further information on our program please contact the Pro Shop by phone: **(07) 5572 8972** or email: proshop@burleighgolfclub.com.au.

Loan Market 

*We've been helping
people into homes
for two decades.*

Founded in 1995 by Sam White, Loan Market began as Ray White Financial Services, a natural extension of the Ray White real estate business.

The business rapidly grew through the 90's and by 2001 the company's loan book reached \$1 billion. In 2003, the Loan Market brand was launched and the company had over 200 brokers throughout Australia. By 2014 our brokers had secured over \$47 billion of home loans for thousands of Australians. Today, Loan Market has cemented itself as one of the largest mortgage brokers in Australia.

Over the past decade, Loan Market has expanded into New Zealand growing our network to over 1,000 brokers internationally.

Since July 2014 Loan Market has been operating as a franchise business.

BEGINNER GOLF CLINICS

Burleigh Golf Club provides a fun, friendly and supportive environment for new players keen to take up the sport.

The club is committed to growing the game of golf and holds regular beginner golf clinics (Burleigh Birdies for women, Burleigh Blokes for men) throughout the year aimed at providing a basic introduction to new players and a refresher for those returning to the game.

These seven-week clinics are conducted by one of the Club's PGA-qualified Professional team and offer instruction and coaching in putting, chipping, pitching, and bunker play as well as explaining key components in the short and long games.

The sessions provide players with the chance to learn the skills required at their pace and without the pressure

of committing to full membership before they are able to comfortably playing the game proficiently. It's also much more fun learning alongside people of similar abilities and the group environment provides an invaluable support structure if you're not quite playing like Adam Scott after your first couple of lessons!

All ages and all abilities are catered for and there is no need to be a member of a golf club. It doesn't matter if you are 60 and have never picked up a club before. Male or female, young or old, you would be made most welcome at Burleigh.

For more details, call the Pro Shop on (07) 5572 8972. If there are no clinics scheduled, get a group of friends or work-mates together and we will gladly take care of the instruction.

VISITORS

Visitors wishing to come and enjoy our wonderful golf course are made to feel most welcome here at Burleigh Golf Club.

We are a Members' Club, but that does not prevent us from offering a genuinely warm welcome to visitors, who are treated like Members for the day.

It is always advisable to phone ahead to book a tee-time or to check with the Club our competition schedule for the day.

Burleigh is a great place to visit. We have clubs for hire and all the things you need to have a good day on the greens. Electric carts and pull buggies are also available to hire and visitors are encouraged to stay on for a bite to eat and a drink in the clubhouse after their round.

All visitors must have a Golf Link number or, in the case of overseas Guests, a handicap card or proof that they are a member of a golf club needs to be provided.

Those visiting us for the first time should note that the Club has a dress code. Respect this and standard golfing etiquette such as maintaining a good pace of play and visitors will always be most welcome.

Social golf groups are made most welcome and will also find Burleigh to be an excellent choice for a memorable day of golf. To book your round, call the Golf Shop on **(07) 5572 8972**.

SOCIAL AND CORPORATE GOLF DAYS

With a superbly maintained golf course, a modern clubhouse, wonderful catering and key staff dedicated to make your day a complete success, it's no wonder Burleigh Golf Club has become such a popular destination for social and corporate golf days.

The club can offer the complete package when it comes to golf, catering and hospitality to create an event that will live long in the memory of all concerned. Fun competitions, golf clinics and everything any host would need to impress their invited clients, no stone is left unturned. All at

a price that we hope will come as a pleasant surprise.

We can help take the strain out of a golf day for corporate clients, by taking on as much of the organisation and administrative tasks – such as scoring – as the organiser wishes.

Any number of extras can be added, such as our Pro challenging your Guests to a nearest the pin on one of the Club's memorable par-3s.

The Pro Shop is the perfect place to stock up on all those competition prizes that can make any golf day memorable for the participants, while

the Club's expert caterers can meet all your needs, with anything from a delicious hot or cold food buffet to a three-course meal available.

The best times for Social Clubs is Mondays, Tuesday afternoons and Sunday mornings, though other times may be available. Competitions are held most days and Social Clubs are welcome to enter upon payment of an additional competition fee.

Please call us today on **(07) 5572 8266** to discuss your requirements.
